1. INTRODUCTION:

- 1.1 Cross Border Power Transmission Company Ltd (here in after to be referred as CPTC or Company) is a Joint Venture company of IL&FS Energy Development Company Ltd. (IEDCL), Power Grid Corporation of India Ltd.(POWERGRID), SJVN Ltd. (SJVN) and Nepal Electricity Authority (NEA) and was incorporated under Company Act 2006 on 19th December 2006.
- 1.2 The main objective of CPTC inter alia includes to engage in the business of building, maintaining and operating transmission systems between India and neighbouring countries like Nepal, Bhutan, Bangladesh, Myanmar, Sri Lanka and Pakistan for the purpose of export and import of electricity, transmission of data and other related business. Presently interconnection with Nepal through Muzaffarpur- Dhalkebar (Indian portion upto Indo-Nepal Border) 400 kV Transmission line is owned and operated by CPTC.
- 1.3 Corporate Social Responsibility (CSR) is a company's commitment to its stakeholders to conduct business in an economically, socially and environmentally sustainable manner that is transparent and ethical

Stakeholders of Company include persons directly impacted by the activities of CPTC, employees, investors, shareholders, customers, business partners, clients, civil society groups, Government and non-Government organizations, local communities and their public representatives, Gram Sabhas and Panchayati Raj Institutions (PRIs) and society at large.

- 1.4 The Companies Act 2013 was notified in September 2013. Section 135, which deals with the CSR Activities, has been made effective w.e.f. 1st April 2014. The CSR Rules have also been made effective w.e.f. 1st April 2014. It envisages that the companies having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more the immediately preceding financial year, shall constitute a Corporate Social Responsibility Committee of the Board consisting of three or more Directors, out of which at least one director shall be an independent director and the Company is required to formulate its Corporate Social Responsibility (CSR) Policy.

Later, Companies (Corporate Social Responsibility) Amendment Rules, 2021 were introduced. The CSR Policy of the Company is being revised anew to make it compliant with the Companies Act, 2013 and the corresponding Rules amended time to time.

CORPORATE SOCIAL RESPONSIBILITY POLICY

1.5 Vision and Mission of CSR

1.5.1 Vision

To be a Corporate that sets a long term strategy for Social & Economic Development of communities through initiatives in rural development, education, skill development, health and other areas of national importance and adhere to sustainable environmental practices.

Mission

To align CSR policy with the Company's business policy so as to conduct business in a sustainable manner adhering to the principles of Avoidance, Minimization and Mitigation in dealing with environmental and social issues and to undertake high impact community development projects of national and local importance in consultation with stakeholders

2. Activities to be undertaken by Company under CSR:

- 2.1 The activities proposed to be undertaken under CSR shall include all the activities consistent with the CSR provisions of the Act, Schedule VII of the Companies Act 2013, CSR Rules, the Guidelines and the policy directions issued by the Government from time to time. (Henceforth, the Companies Act, 2013 will be referred to as the Act 2013"). The focus would be on initiatives in the area of public health (Medical Services, Education, Flood (Natural Calamities), General Health, Drinking Water depending our budget for the particular Financial Year.

Also to promote Inclusive Growth and address the basic needs of the deprived, under privileged, neglected and weaker sections of the society, which comprise of SC, ST, OBC, Minorities, BPL families, Old and aged, women/girl child, physically challenged, economically weaker sections, etc.

- 2.2 Transmission lines projects are environmentally clean and do not involve any disposal of waste, effluents and hazardous substances on land, air and water. However, transmission line projects have some localized impacts on villagers on whose lands transmission towers are erected & conductors are strung. Thus, the main focus of Company CSR would be on the activities that benefit persons directly impacted by such activities of Company' transmission line business as well as activities that help to reverse any adverse impact on the environment and ecology.
- 2.3 Endeavour shall be made to promote sustainable development through initiatives by conducting business in a manner that is beneficial to both business and society. Sustainability initiatives would include steps to avoid operations in environmentally sensitive areas, application of efficient and safe technology practices, abate pollution in all activities and operations, minimize energy losses and promote energy efficiency.

CORPORATE SOCIAL RESPONSIBILITY POLICY
